

HOW TO HELP SOMEONE DESIGN A

MEANINGFUL CAREER

1

Ask the following questions;
What are you good at?
What do you love?
What do you think the world needs?

2

Encourage them to connect with
someone that they admire for the
work that they do.

3

Help them to keep positive and
reframe any challenges that may
arise.

4

Check-in occasionally and ask
how you can help.
