Understanding Morrisby

arrive &thrive

Topic: *Understanding Morrisby*
Year Level: *Year 9 - 10*
Lesson Time: *30mins*

SAMPLE

Learning Reinforcements:

- *Students to understand their Morrisby profile and the information associated with this.*
- *Students are encouraged to challenge their profile and ask themselves if they agree or disagree with the profile.*
- *Students will learn to use their profiles to determine senior school subjects, tertiary options, and potential occupations.*

Student Reminder:

The Morrisby profile is designed to discover, challenge and explore occupations and study options. It does not define who or what you will become; it starts the conversation. If you disagree with your results, make sure you retake sections of the profile and explore why you disagree or agree with certain sections.

Morrisby Background:

Morrisby is used to support the individual by providing objective information about their aptitudes, interests, work style, and personality. Morrisby has been around for over 50 years, supporting individuals in making career-informed decisions.
